GRAPHICS COMPANION 1

Graphics Companion I includes 5 Borders and 25 Canvases that you can import directly to **Video Titler** or enhance first in **MicroPainter™ Plus** (C-64/128™ **Graphics Companion I** files aren't compatible with other art programs; Apple® II series **Graphics Companion I** files are compatible with most high-res, DOS 3.3, Apple II drawing programs).

LOADING

Note: You can't save changes on the **Graphics Companion I** disk. So, make a copy of both sides of the disk and save your changes on the copy (use a standard disk-copy program). Keep the original in a safe place!

Load **Video Titler** or **MicroPainter Plus**, following the instructions in the **VIDEO TITLE SHOP** manual.

To load a **Graphics Companion I** Canvas or Border into **Video Titler** or **MicroPainter Plus**, follow the instructions in the **VTS** manual for loading a Canvas. Once the Canvas or Border is loaded, you can use it as a background for **Video Titler** Effects or embellish it in **MicroPainter Plus**. Don't forget to save!
